**Rolling Hills
LIBRARY**

Online Resource Guide

Using Public Library Resources Away From the Library

How to Get a Card

Anyone can get a library card with picture ID and parent signature for those 16 and under. You must apply in person to get a card to check out materials and for Online

Resources. If the Bookmobile comes to your school you can get a card during a visit, or you may get a special sticker with an account number to use if your school uploads class rosters. **You can also apply online at our catalog to get an E-Card to use exclusively with our Online Resources if you don't plan to use our in-person collections.** <https://rollinghills.biblionix.com/catalog/>

Using Resources from School or Home

Access is usually through a special web link that you must click on or with your library card number and PIN/password. There are a few resources listed that may already be available to teachers and students from your school district. You should always use the links or websites provided by your school first, because your usage is being paid for by the school and should be counted by the school.

There are some resources that won't let you connect at school but they will let you connect at home or on a mobile app. Links to all of the resources listed in this booklet can also be found at <https://rhcl.org/online-learning>

If you have any problems or issues, please contact the library by e-mail at help@rhcl.org or by text or phone.

DOWNLOADABLE
APP AVAILABLE.

AcornTV

Acorn TV brings world-class documentaries, mysteries, dramas, and comedies from Britain, Australia, and beyond through a streaming video service. Offered through RBDigital, you can check out a 7-day pass to watch unlimited shows. There is also a mobile and smart TV app.
